Distinctive GLADIOLI

MAURICE FULD

Firthcliffe Gardens

North Main Street

Pearl River - - New York

Announcement

THE list of Gladioli which we present at this time is a very complete assortment of the most popular varieties developed in recent years, and includes many novelties and prize winning varieties of unusual distinction.

During the past two seasons we have exhibited our blooms in New York City and vicinity and have won over one hundred first prizes. Many of our patrons also have taken prizes on varieties purchased from us.

It is our desire to sell our bulbs as reasonably as possible. Therefore, if any other reliable grower quotes a price lower than ours on any variety which we list, we will meet his price when your order includes other varieties as well as the variety which carries the reduced charge.

We send out only bulbs of the highest quality, free from disease—the same quality we would like to receive ourselves. Our stock is guaranteed true to name, and should a mistake occur in filling order, we will replace or refund money.

SIZES—Large bulbs range from 1¼ inches up; Medium ¾ inch and up; Small ¾ inch and under. All bulblets are hand selected. Quantity of bulblets in package is determined by price of the variety, but a generous amount is assured.

EXTRAS—For cash orders the customer is entitled to select extras, as follows:—5% of the value of your order in selected bulbs from \$2.00 to \$5.00;—10% from \$5.00 to \$15.00; 15% from \$15.00 to \$50.00. No other discounts.

MIXTURE—Our unusually fine mixture includes many choice originations in the following shades:—Petunia and Bishop's purple, mandarin yellow, apricot-orange, lavender gray, copper bronze, ashes of roses, dark maroon, white and many other shades. Prices: 25 for \$1.35; 50 for \$2.60; 100 for \$5.00.

TERMS—Remittance by Check, Postal or Express money order.

POSTAGE—All orders amounting to \$1.00 or over delivered prepaid. On orders less than \$1.00 please add 25 cents for postage and packing.

PLEASE PRESERVE THIS CATALOG FOR FUTURE REFERENCE. We will issue supplements next fall and spring.
